Australia Post - Notes;

1. Australia Post does not have adequate tracing and recovery systems. PCS does not accept responsibility of goods lost by Australia Post. Use only when there is no other choice.
2. PCS does not have regular visits to post office. Allow a week for getting shipments sent out. Australia Post will pick up for \$15.00.
3. Use Aust Post only when there is no other option, eg for remote areas etc. This is the non-preferred method.
